EVERY OTHER DAY CAT VISITS LIABILITY WAIVER

CLIENT NAME: (Print Name) _____

This form releases Ali's Angels Pet & House Care from any liability concerning cat visits that are made more than one day apart. Please list all cat(s) that will receive visits from Ali's Angels Pet & House Care on an every other day basis.

CAT NAMES & BREED OR COLOR: (List cats by name & breed or color)

I have been informed by Ali's Angels Pet & House Care that it is their intent that all cat(s) receive visits at least one time per day. I am aware that having my cats checked on at least on time per day decreases the time in between visits that there could be concerns about my cat(s) that could be addressed by Ali's Angel Pet & House Care. I have been informed that if concerns were to arise with my cat(s) during the duration of visits made by Ali's Angels Pet & House Care, time may be of the essence and discovering those concerns sooner may be a valuable factor concerning the health and well being of my cat(s). I have read Ali's Angels Pet & House Care Service Contract which states that it is their intent that all cat(s) receive visits at least one time per day. With this in mind, I still choose to have Ali's Angels Pet & House Care make visits to my cat(s) every other day and I agree not to hold Ali's Angels Pet & House Care responsible for any damage to or loss of my cat(s) that may occur per my instruction.
