PET(S) NAME & BREED: (Specify name/cat or dog)

Cats:

I understand that cats that are allowed to go outside unattended are at a much greater risk of intruding danger and escape or loss than those that remain indoors. I am also aware that my cats may or may not be able to locate shelter in the event of inclement weather. I have read Ali's Angels Pet & House Care Contract and I am aware that it is the intent of Ali's Angels Pet & House Care that all cats remain indoors for the duration of their visits to decrease the risks incurred by outdoor cats and so that they may be located and cared for in my absence. With this information in mind, I still choose to allow above listed cat(s) access to outside areas of my home and I agree not to hold Ali's Angels Pet & House Care responsible for any damage to or loss of my pet(s) that may occur per my instruction.

Dogs:

I understand that dogs that are remain outdoors without access to inside shelter in between visits made by Ali's Angels Pet & House Care are at a much greater risk for escape, intruding danger and health concerns due to inclement weather. I have been advised by Ali's Angels that dogs must have a proper watering system that works continuously in any weather and proper outdoor shelter and have read Ali's Angels Pet & House Care Contract stating that it is their intent that for the duration of their visits, all dogs have access to the indoors between visits made by Ali's Angels and not be left exclusively outside. With this information in mind, I still choose that the above listed dog(s) remain exclusively outdoors in between visits make by Ali's Angels Pet & House Care and I agree not to hold Ali's Angels Pet & House Care responsible for any damage to or loss of my pet(s) that may occur per my instruction.
